

Forecast: Sunny for Oakland. There is too much drama in Cleveland and not enough focus on football, nfl jersey history, that could hurt this team traveling West. The good news is that Cleveland is coming off the bye week and should make a game of it. The Raiders are playing their first home game since the passing of Al Davis and the sell out crowd will be fired up.

Tweet Tweet AFC North Week 6: Breakdown & Match-ups Here are seven notes and observations from Week 4 in the AFC East:

Should the Miami Dolphins inquire about free-agent quarterback David Garrard? Starting quarterback Chad Henne injured his shoulder. It's unknown how long he will be out. But Henne couldn't return to Sunday's game, football jersey size chart, which means it's possible he could miss time after the bye. Matt Moore isn't the answer if Miami wants to win enough games to turn its season around. Garrard may provide a boost and much-needed leadership, nhl authentic jersey, nike nfl uniforms 2012, nhl replica jersey, but would his price tag be worth it, especially if Henne is only out a few weeks?

I'm noticing opponents are showing less respect for the New York Jets' offense. The Jets aren't running the ball and teams are salivating to get to the quarterback. The past two weeks, womens football jersey, the Raiders and Baltimore Ravens combined for six sacks and brought extra defenders regularly. Quarterback Mark Sanchez was able to beat the blitz several times for big plays against Oakland. But he didn't have any success against the blitz of the Ravens. New York's pass-to-run ratio is 79 to 44 during its two-game losing streak. Teams keep track of these stats and tendencies. This makes the Jets very predictable offensively.

Now Indy goes to Cincinnati to face a good rushing attack in Cedric Benson and a rookie QB who is holding his own in Andy Dalton. Rookie receiver A.J. Green has been great, leading the team with 24 receptions, nike pro combat, 402 yards, nike nfl gloves, youth nfl jersey, 3 TD's. The defense has really been impressive. The Bengals defensive unit are ranked 1st in total yards allowed (279), 3rd against the pass (191, football jerseys cheap, kamazu hockey jersey,) 6th in points allowed (18.8), nfl football jersey, 7th against the run (88.6).

Forecast: Ugly for Indy. Indy has been plagued with a string of injuries and are facing an uphill fight this year. Running back Joseph Addai is expected to miss this contest (hamstring injury). So far the Bengals defense has to be one of the better units in the NFL and the team's offense is impressive.

Cleveland needs to get back to running the ball. Colt McCoy is having success but this is an offense that is out of balance; McCoy has 172 passing and RB Hillis 54 attempts (RB Hardesty 29 att.). Hard to believe that with a back like Hillis they are ranked 27th in rushing yards (85.8 yards per game).

The Buffalo Bills are back to "mystery" status after their Week 4 loss to the Cincinnati Bengals. The Bills were thought of as a legitimate AFC contender after recently upsetting the Patriots. Now, it's hard to put this team in a category despite a 3-1 start. Buffalo will play the talented but struggling Philadelphia Eagles (1-3) and New York Giants (3-1) in back-to-back weeks. We will know a lot more about the Bills after these two games against NFC East foes.

Last week the Steelers bounced back. QB Ben Roethlisberger threw 5 TD passes. With RB Mendenhall out Jonathan Dwyer and Isaac Redman ripped the Titans for 125 yards. Dwyer had a 76 yard run. Those offensive numbers are impressive, football jersey design, nike nfl concept uniforms, especially playing the Tennessee Titans who were on a roll on both sides of the ball. The Steelers defense ranks 1st in the NFL versus the pass.

A lot of Buffalo Bills fans are complaining about the fourth-down throw to receiver Steve Johnson that was ruled an incompleting. Yes, nfl new uniforms, customize hockey jersey, it looked like a

catch from my view. But to say that's the reason the Bills lost is a stretch. The Bills only scored 13 points on 56 offensive plays. Buffalo scored just three points in the second half. The Bills had plenty of opportunities to win and failed to execute. One play should not be enough to derail an entire team.

Projected score: Cincinnati 31 – Indy 10

Projected score: Oakland 27 – Cleveland 23

[+] Enlarge Cary Edmondson/US Presswire Wes Welker caught nine passes for 158 yards on Sunday against Oakland. If I'm the Patriots, nfl jerseys authentic, custom nfl jersey, I try to work out a contract extension with receiver Wes Welker sooner than later. Welker is putting up monster numbers in the final year of his contract. He leads the NFL in receptions (40) and receiving yards (616). Only Detroit's Calvin Johnson (eight) has more touchdown catches than Welker (five). Welker's price tag will continue to rise if he keeps up this pace. The Patriots are not going to let their best receiver walk next offseason. So they may as well try to save a bit now by working out an extension before the end of the season.

Jacksonville Jaguars (1-4) @ Pittsburgh Steelers (3-2)

Additional comment: What gives Bengals fans? The team is winning and they are better than expected. But, create a nfl jersey, this game will be blacked out. In fact, university of maryland football jersey, it will make their 7th blackout in a row.

Despite Jacksonville's efforts to sign some known veterans in free agency, this team is in a rebuilding stage. The defense is ranked 10th against the pass and 10th against the run. While they are not playing terrible, leaked nike nfl jerseys, cheap nfl jerseys, there are no playmakers stepping up to change the outcomes of games. Offensively, the passing game is going through growing pains with starting rookie QB Blaine Gabbert. In 4 games Gabbert has (3 TD's, replica nfl jerseys, 2 Int.'s, authentic college football jerseys, 9 sacks). The offense is ranked 31st in points scored (11.8 pts. per game) and ranked 32nd in passing yards (150.0). The one constant is running back Maurice Jones-Drew who has rushed for 496 yards, wholesale authentic nfl jerseys, averaging 5.0 yards per attempt.

? Indianapolis (0-5) @ Cincinnati Bengals (3-2)

Oakland is coming off an emotional win with the passing of the legendary owner Al Davis, nike nfl shop, cheap authentic nfl jerseys, beating the Texans in Houston last Sunday.

New York's upcoming rivalry game against the Patriots can go one of two ways: Either the Jets respond and play well, 2012 nfl jerseys, nike combat nfl, or things could get ugly. The Patriots have a golden opportunity to stick it to the Jets while they're struggling. New England will have revenge on its mind after getting knocked out of the playoffs. The Patriots (4-1) also can create separation in the AFC East with the Jets (2-2). New York usually plays the Patriots tough. But it's unclear how the Jets will respond in this meeting considering how poorly they're playing.

Cleveland has been going through drama lately. There is some controversy focusing around Peyton Hillis missing a game a few weeks ago and it has created a stir. To add to the drama, DE Marcus Benard broke his hand in a motorcycle accident and faces two felony charges. He's done for the season because of the injury. Football wise Cleveland's secondary is ranked 4th against the pass. However, wholesale nfl jersey, the unit is ranked 25th versus the run and that doesn't bode well against the Raiders run game (Derrick McFadden and co.) who are ranked 2nd in the league in rushing yards (161.8) per game.

While the Ravens are home to take on the Houston Texans there are other games on the radar in the AFC North:

Forecast: Gloomy for Jaguar fans. Any hope for Jacksonville is to give the ball to Jones-Drew and try to run their way to a win. The Steelers should roll through Jacksonville and keep the heat on Baltimore.

Right now Indy is facing some huge problems on defense, create a football jersey, nike nfl uniforms leaked, nike nfl 2012 jerseys, let alone the quarterback position. They rank near the bottom in every important stat, nike nfl combat jerseys, offense and defense. One stat that stands out is that this team can't run the ball or stop the run. The unit ranks 31st versus the run (145.2 yards per game). The offense ranks 30th in rushing 82.0. QB Curtis Painter seems like he should have been starting in the first place.

Cleveland Browns (2-2) @ Oakland Raiders (3-2)

The most impressive thing about New England's offense in the win over the Oakland Raiders was its lengthy drives. Quarterback Tom Brady and the Patriots recorded touchdown drives of 80, oregon ducks authentic football jersey, 64, nfl uniforms, nike nfl, 81 and 81 yards. New England is as good as anyone at moving the chains. I also like how the Patriots ran the ball more and kept things balanced. This helps keep their inconsistent defense off the field.

Projected Score: Pittsburgh 34 – Jacksonville 13
